“I pride myself on going above and beyond what is expected, and I truly try to make a difference.”

1 WHAT I ABSOLUTELY CANNOT LIVE WITHOUT: Quality products and established relationships. Since its inception, Destin Custom Home Builders has set out to make our name synonymous with the quality of homes we produce. To date, we have assisted with the design, layout and overall construction of a number of homes in Destin's most prominent communities, including Destin Pointe, the Regatta Bay Yacht & Golf Club neighborhood and Regatta Bay Preserve. We aim to not only build a home, but a lifestyle for the family that lives in it.

2 THE BEST ADVICE I HAVE TO OFFER IS: Purchase the lifestyle, not just the home. We are blessed to live along Florida's Emerald Coast, and each neighborhood brings a variety of perks. Look for the neighborhood that offers you and your family the most out of life. The words we live by? "Live, shop, dine, play — never leave Regatta Bay."

3 WHAT I LOVE MOST ABOUT WHAT I DO: As VP of Sales and Marketing, I am fully integrated with all that goes on at Destin Custom Home Builders, from creation to completion. I love everything, from working with the architect and designer to finally handing over the keys to a happy new homeowner. The sales side of my position allows me to negotiate and really get the best offer for my clients.

4 MY GREATEST ACHIEVEMENT IS ... Most recently, I was recognized for selling the most inventory at record-breaking prices in Regatta Bay Golf & Yacht Club for the second year in a row.

5 MOST PEOPLE DON'T KNOW THIS, BUT WE ... Bring a homemade, hot apple pie to every new homeowner in the Regatta Bay neighborhood.
